

Co+op Customer Comments

November 2014

Comment: How does a person register for a cooking class?

Response: Simply call or stop by the Co+op and we can register you. (505/695-1579)

Comment: Last year I think that you had a tasting and took pre-orders for Thanksgiving dinner (or maybe it was Christmas). Are you doing that again? Just curious. :-)

Response: This year we are doing something a little different. We had a tasting event during Co+op Fest in October that featured deli items, some from the Thanksgiving menu we offered last year. We will offer pre-orders for Thanksgiving this year with the same menu. I've attached one for you. Thanks for your inquiry and hope you have a Happy Thanksgiving. -Steve, GM
